# USA KARATE SANCTIONED EVENT

What does it mean?

## PURPOSE

Our goal is to offer you a karate tournament that will be one of the best organized, high-quality, fair, and safe events in the country, endorsed by USA Karate.

## RANKING EXPLAINED

USA Karate uses a **National Ranking System (NRS)** for **all athletes under 18 years of age competing in sanctioned events**. Athletes will be ranked using the ranking points for the competitive category they are in. Promoters will be required to report results from each category to USA Karate within 5 days of the competition of the sanctioned event. Once the results are reported from the promoter, USA Karate will update the NRS and post to the USA Karate websites and social media pages.

Athlete Ranking Points are awarded based on event level as follows:

		EVENT LEVEL			
		Level 1	Level 2	Level 3	Level 4
RANK	1 <sup>st</sup> Place	300	600	900	1,800
	2 <sup>nd</sup> Place	200	400	600	1,200
	3 <sup>rd</sup> Place	100	200	300	900

*\*Level 4 events are reserved for USA Karate Signature Events and hold the highest points value.*

In addition to awarding ranking points for participating athletes, USA Karate will award ranking points for participating Referees. These points will help USA Karate recognize referees and judges who are the most active and supportive of USA Karate sanctioned events. These ranking points will be used for recognition awards and may be used by USA Karate to identify future leaders in the USA Karate Referee Corps.

Referee Ranking Points are awarded based on event level as follows:

- ❖ Level 1 events are awarded 100 points to each participating referee/judge.
- ❖ Level 2 events are awarded 200 points to each participating referee/judge.
- ❖ Level 3 events are awarded 300 points to each participating referee/judge.
- ❖ Level 4 events are reserved for USA Karate Signature Events and hold the highest point value. Participating referee/judges will be awarded 600 points.

1. I just want to volunteer for a couple of hours at my child's karate tournament. Do I need to complete the SafeSport training?

**No. All that is required is that you register with your email so that the tournament director can email you a copy of the MAAPP and reporting requirements/methods if a violation is seen. You are, however, required to have reviewed the Minor Athlete Abuse Prevention Policies At-A-Glance and the Reporting At-A-Glance materials in advance of your participation at the event.**

2. I am a Jr. Instructor under the age of 18 and I am going to be a referee at our local tournament. Am I required to complete the SafeSport training?

**No. Only those 18 and older are required to complete the SafeSport training. We do suggest that you take the SAFESPORT® FOR YOUTH ATHLETES (AGES 13-17) course which focuses on consent and respectful behavior, supporting friends who have experienced abuse or misconduct, and resources for reporting. Parental consent required at the start of course.**

3. Where can I find the SafeSport training?

**SafeSport training can be found at USA Karate's membership site**  
<https://usankf.sport80.com>

**Yes. You can access the training up to a month early. Just click on the "green current" circle in the SafeSport section of your profile.**

5. I have completed SafeSport with another sport. Is it possible for it to be current with USA Karate?

**Yes. Please email the office at [natoffice@usankf.org](mailto:natoffice@usankf.org) and they will be able to get profile merged with your other sport.**
